I chose TA-NO vehicle
transporters!
Because TA-NO, is a master
of transport.

Mark Wojciechowski, driver

SWISS SERIES

**Safety transportation
of vehicles.**

A autotransporter carrier trailer
with a perforated steel platform
for car transport.

SWISS 27.50

SWISS SERIES

The SWISS series has been developed especially for small
and medium-sized companies.

Thanks to this series, transport companies
become more flexible and thus reliable partners for their
customers.
